

Boarding Information and Fee Schedule

Yanco Agricultural High School – As you sow, so shall you reap

Established in 1922, Yanco Agricultural High School enjoys a rich history in quality education, diverse learning opportunities and excellent educational outcomes. With our state-of-the-art resources, farm and hostel, we are able to provide an all-round education for students in a stimulating and caring environment.

Accommodation Details

All of our students board at Yanco Agricultural High School, providing a unique public education experience with an extensive 7 – 12 agricultural focus.

We provide quality accommodation for 320 students. Each student has their own personal space and the majority of senior students have their own room.

Our modern dining room has highly qualified chefs, cooks and catering staff on hand to provide your child with nutritious and tasty meals. We also cater for any special dietary requirements or allergies.

Dormitory buildings are cleaned every day and our school laundry washes all student clothing and linen.

Student Care

Over 25 school staff live on site in order to ensure the care, comfort and safety of students in residence at all times.

Qualified nursing staff are also on site to provide medical care as needed.

If your child has specific medical or social needs, please discuss this with school staff on enrolment.

Activities and Opportunities

All dormitory buildings are part of our school computer network. This enables internet access for student homework and email communication. Our Library Resource Centre is also open daily for student use.

We have a wonderful variety of activities for students to be involved in after school hours and on weekends.

Boarding Fees

Boarding Fees for Yanco Agricultural High School are set by the NSW Government at the start of each year. The fees set out below are for 2009.
